FOREWORD

To the interested readers of the nineteenth edition of the LA MEZCLA: It is the sole desire of the Senior Class of 1933 to realize its earnest efforts and profitable experiences in a tangible form--namely, the issuing of this year's annual. Appreciable mention, too, must be made of the constant help and co-operation given us by the faculty and students.

The annual this year has been greatly changed in style and appearance. Owing to the depression there was grave doubt as to the advisability of publishing an annual, but the graduating students were eager for a permanent memento of their class; so after several meetings and much discussion, it was decided that a mimeographed issue would be published since this type of book could be put out at a nominal cost.

HUMOR

OUR ARMIJO

Implanted deep in our hearts are
your teachings
As well as the many joys you've
brought to us.
Our young lives have been enriched
by your blessings.
Armijo, we are your grateful debtors.

You demand loyalty;
so we are loyal.
Likewise we are true, just, and
faithful to you.
Dear school, you shall e'er have
our earnest support;
Not for just this day nor
the morrow but eternally.

When the passing years have set
their mark upon us,
We shall gaze backwards at
very tender memories--
Memories of happy days spent
within your portals.
Armijo, we are your grateful debtors.

SENIOR HISTORY

In 1929, we, the class of '33, began a journey through the country of Armijo down the road of Education. We were then considered the largest class that had ever come to the country and probably one of the greenest. As we gradually became acquainted with Armijo and learned to understand its customs, we began to take part in its activities. Continuing our stay, we became more and more active in scholarship, athletics, music, and dramatics; finally taking the lead in these activities.

We have experienced all kinds of weather and conditions on our journey through Armijo: Rains, storm, sunshine, and even fire and destruction; but we have stood by ready to help as best we could.

All along the way, we were greeted as a somewhat boisterous but willing and ambitious class. Our girls will always be remembered as the group of new comers, who, in their first year, carried off championships in both basket ball and baseball; and continued to hold these titles for four years. Our boys' coming was welcomed heartily; for they, with their athletic ability, have helped to add twenty awards to Armijo's store of championship titles, cups, and pennants.

As we journeyed on, a few dropped out; others, however, joined our band; until now, as we prepare to leave, we are the largest class that has ever been graduated from Armijo, numbering fifty-five in all.

We have spent four years--years filled with happiness and never-to-be-forgotten memories--while journeying through this beautiful country; and it is with mingled joy and regret that we travel on, crossing the border into wider and greater worlds.

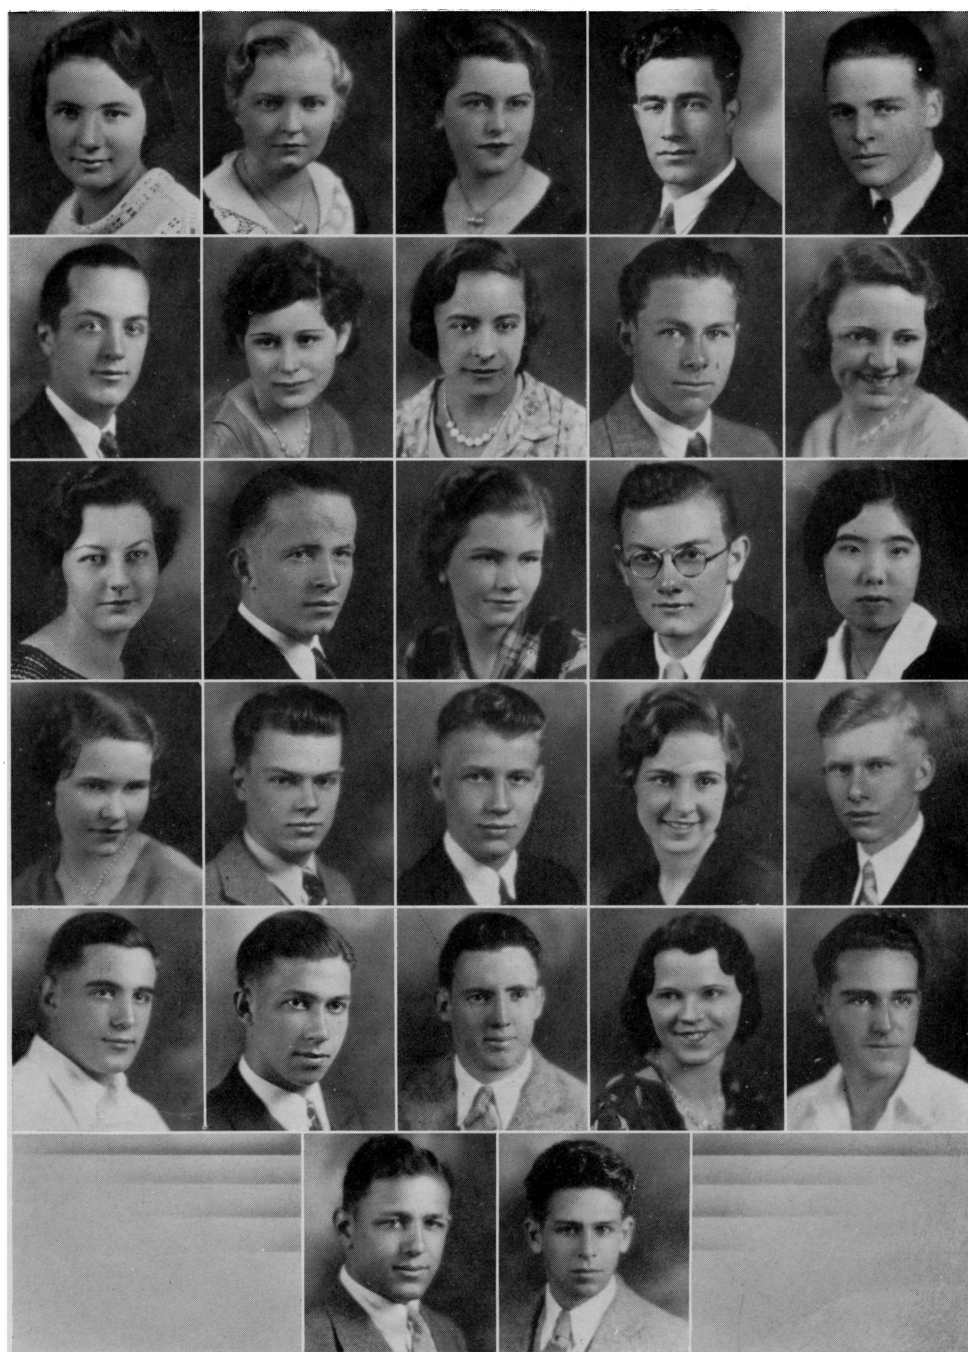

SENIORS

Just four short years since we entered;
Just four short years of fun.
On some days perhaps there were hardships,
But now even those are done.

We stand with our feet on the threshold
Of that mighty hall of life;
And gazing off into its chaos,
We think of our part in its strife.

And as we stand just musing
And thinking of days long past,
We remember the fun and joys that we had
And the years that have gone--too fast.

And whether our lives are all sunshine
Or our shoulders are burdened with care,
We'll remember our old days of school life
And will follow this motto: BE SQUARE.

HOROSCOPE

Looking ahead twenty years from now whom should we see flying about in the sky but that air-minded Leo Cadenasso of the Black Squadron gang. With a barrel-loop to the ground, ending in a three-point landing, Leo took his two passengers (already late) to a banquet given at the home of Mr. and Mrs. Burt Goodman, his wife (better known as Ruth Jones). Tired and worn, the two passengers, Shrimp Bennett and Mary Carvalho, were taken to the banquet by the CAPP & BESSETTE TAXI COMPANY. They were ushered in by the butler, Lewis Shelton. Then a big commotion was heard at the front of the house; Lloyd Young and wife Velma were just arriving in an Austin, followed by Dick Hale and wife, Marvel. Dick is now the mayor of Green Valley. But what is this we see! John Juan known as "The Accordion Man" eating the goodies from the table! His pal, Elton McGee, NBC's radio-star, is watching the door. And whom should we see in the kitchen flirting with the new cook, Doris Lambrecht? Why! None other than Chris Santaella --and up to his old tricks as usual! Chris is now a father of four children. Whoops! Look at this just stepping out of a Rolls Royce; the director of the Ziegfield Follies, John Daly and his leading lady, Leila Woods, in the latest "Daly" attraction!

Dinner is served. Marie Buzzini (an old maid) is seated comfortably next to Morris Buck. Poor Morris! He certainly looks different in that green and red checked suit. Lorraine Baldwin, sitting directly across from Morris, is now an Art Teacher. Hotcha! Here comes a serving of beer and who should be serving it? None other than Al Codiga, who owns the Beer Garden. And boy! Did Tom Simmers make a dive for that beer! Tom is now one of the Valley's wealthiest farmers. And who can this be? Late as usual! The two married ladies, Elaine Lewis Brazil and Leona Mack Tavalero, who take seats right next to John Pollard and wife Ethel. John has become the second Caruso. He sings the NIGHTINGALE. At the close of the song, in walks Hermelle Borland, dressed exquisitely in clothes designed by herself. She is a designer in Paris. Immediately following her is La Fern Reams, an Art Designer for the LADIES HOME JOURNAL. Now we hear Iris Kojima playing on her violin that old song, I'VE GOT TO GIVE RHYTHM ALL I'VE GOT. Iris has just returned from a trip around the world. Woe is me! Here comes George Eichler and James Messenger, gossiping away like two old hens; they are both news writers on the

FAIRFIELD BLABBER; and directly behind them come the Butcher Boys, Bud Freitas and Henry Dreith. They are dressed in cow-hide hats, each wearing a hot pair of suspenders made of wienies. Helen Patterson, who is a second for Colleen Moore, kicks Henry under the table and asks him for one of the wienies. Lowell Simpson, an auto racer in San Jose, takes one right away from him; then Rose Rellis appears at the side door. Her hair is in ringlets; her innocent snappy eyes dance merrily as she gazes at Emilio and Mary Kitabayashi who have just arrived. Mary has become a famous mathematician, known the world over for solving the fourth dimension. (She is now working on the fifth.) The new arrival, Alyce Fawcett, the Davis-cup-racket-swinging, comes with her friend and maid, Ruth English; and next, Robert Fernald, owner of FERNALD & FERNALD CEDAR CHEST CORPORATION. Frank Frutos, inventor of the latest type of grape squeezer and Carl Gein, the head janitor of the Court House, make their appearances. Now driving up in his locomobile comes Edward Hopkins, the champion sprinter.

Dorothy Meinert, it seems, is located in Fairfield. She is the latest undertaker, and incidentally has just buried her eighth husband (in her cheapest style coffin). Takashi Mitoma, Japan's champion motor-boat racer, comes to speak to us. John Moller, clad in a black suit, black hat, and overcoat, playing GRENDAL in John Daly's latest production of BEOWULF, makes a dramatic entrance. Wotta a break for the crowd! Here comes Dick Eaton, the milkman, whose milk sells for five cents a quart because it is three-fourths water. Now we'll get back to the guests and the eats.

Raymond Pyle, the second for Snozzle Durante, is nursing his large nose, caused from some mysterious blow from a more mysterious person. A telegram has just been received from Elvin Philbrook at the coal mines in Pennsylvania. Owing to a strike in the coal mines he could not be present. Olga Mortensen and Jewel Pangburn are not present since they had to compete in the Olympics, held at Tolenas. Janice Pappas has taken Aimee McPherson's place at the Angelus Temple. Although we are sorry that he could not get here sooner, we are honored to have the great Sam Scarlett, Doctor of Lonely Hearts, come in at the very last minute. Of course you could expect that from Sam. All in all the class of 1933 had a most enjoyable time.

CLASS WILL

We, the graduating class of one thousand nine hundred and thirty-three, being of unsound mind brought on by four steady years of Armijo school work, do declare this to be our last will and testament. And, in our dreams, we make the following bequests, as a class:

First, to the faculty and board of trustees, we give our sincere appreciation for their efforts in our behalf.

Secondly, to the juniors, we give the priceless asset of all seniors--dignity.

Thirdly, to the sophomores, we give the valuable gift of silence--to be used at all assemblies.

Fourthly, to the freshmen, we give all the encouragement they may need in order to become the largest class ever graduated from Armijo.

Lastly, as individuals, we make the following bequests:

We, Lorraine Baldwin and La Fern Reams, do will our contrasting natures to Virginia Dunker and Mae Carlton.

I, Inez Bennett, do will my lack of inches to Jack Tisdale.

We, Leland Bessette, Fred Capp, and James Messenger, do will our elastic friendship to Leland Dodini, Eddie Le Gare, and Norman Siebe.

We, Hermelle Borland, Ruth Jones, and Mary Carvalho, do will our knack for news-reporting to Isabelle Snow, Elsie Maltagliati, and Maizie Bean.

We, Alvin Codiga, and John Daly, do will our popularity with feminine Armijoites to Harold Anderson and Lawrence English.

We, Marie Buzzini and Janice Pappas, do will Stanley and Ned to two dizzy blondes.

We, Leo Cadenasso and Bud Freitas, do will our desire for speed to Tony Samo and Con Stathakis.

We, George Eichler and Tom Simmers, do will our pugnacious appearances to Henry Pangburn and Bob Reams.

We, Ruth English and Alyce Fawcett, do will our appearance of impenetrable calm to Eleanor Lambrecht and Margaret Mason.

We, Robert Fernald and John Juan, do will our operative voices to Sam Kitabayashi and Lloyd Scarlett.

We, Frank Frutos and Carl Gein, do will our football pants to Jerry Pollard and George Dotemoto.

We, Burt Goodman and John Moller, do will our scholarly appearances to Ralph Glashoff and George Tomasini.

We, Dick Hale and Edward Hopkins, do will our speed on the track to Robert McQuaid and Walter Freitas.

I, Mary Kitabayashi, do will my seat in Sam's car to Lily Siu.

We, Iris Kojima and Jewel Pangburn, do will our quiet efficiency to the one and only Marjorie Cripps.

I, Velma Klusman, do will my cleverness at two-timing to Betty Brownlee.

We, Olga Mortensen and Dorothy Meinert, do will our respective fame for expressive gestures to Ruth Wright and Claire Dowdell.

We, Leona Mack and Elaine Lewis, do will our man-catching devices and tricks to Helen Siebe and Stella Capp.

We, Helen Patterson and Leila Woods, do will our silence and observance to Jane Chadbourne and Ione Mangels.

I, Takashi Mitoma, do will my ability to catch bass to Mr. O. C. Spohn.

We, John Pollard and Raymond Pyle, do will our air of sheikiness to Ben Reams and Wilbur Wright.

We, Emil Ramos and Ethel Weeks, do will our Spanish knack to George Egusa and James Hopkins.

We, Henry Dreith and Elvin Philbrook, do will our bond of comradeship to Norman McGee and Joe Frutos.

We, Dick Eaton and Chris Santaella, do will Edith and Snookie to some lucky sophomores.

I, Doris Lambrecht, do will my sense of humor to Gerald Swasey.

We, Rose Rellis and Marvel Wright, do will our graceful carriage and excessive nonchalance to Josephine Maynard and Isabelle Deak.

We, Lowell Simpson and Lewis Shelton, do will our passion for speedy action to Whitney Simpson and John Valladao.

We, Lloyd Young and Sam Scarlett, do will our great size and strength to Manuel Fune and William Chun.

I, Morris Buck, do will my classic profile to Tony Samo.

I, Elton McGee, do will my ability to yodel to Kirby Stevens.

We, this day, set our hand hereto, and, in our truthfulness, appoint the incumbent junior class, '34, as the executors of this, our last will and testament.

JUNIORS

SOPHOMORES

FRESHMEN

JUNIORS

Three short years ago the good ship CLASS OF '34 embarked upon the sea of life. The valiant crew fearlessly braved the unknown with the pilot, John Moller, at the helm. The course, being new to them, was difficult to keep; but never losing heart, the crew struck to their stations.

The first port offered amusement at the reception given in their honor which all enjoyed. The journey was, then, renewed in an unbroken calm until the mid-journey tests. These over and done with and the short spring shore-leave ended, the same smooth-sailing continued with the inevitable advancement due to perseverance. The journey ended with "adieu" to the home port, Armijo.

Next year the crew with few changes, resumed the travel, with Silver McFall at the helm. The first big event, after the reception, was the customary dance given by the crew. Done in St. Patrick's motif, it was very successful; and the calm, thus broken, was soothing though invigorating. The little craft, sailing serenely on, won a good reputation for steadfastness; and her crew, for preparedness. The journey being over, the members of the crew parted, to meet again the following year.

The third journey was begun, this time under the command of Leonard Wiebe. As usual, the sailing was easy and the ship was held to a straight course. Being older and more experienced, the officers and men assumed many responsibilities heretofore handled by others. All was smooth after the habitual social affairs; there came the problem of choosing the insignia in the form of rings. A charming style was chosen with a large bright gold "A" on a duller finish. The most important social affair of the year, the dance given by this crew in the honor of that of the preceding ship, proved to be very enjoyable and a real success.

The port is now in sight and the sailing is serene, with the end of the journey near. After one more trip the good and faithful ship will leave Armijo, drifting away to the strains of ALOHA; and carrying with it the crew of '34, never to return, unless it be in the memory of one of its crew.

SOPHOMORES

All aboard! Sophomore Express leaving for the Junior Station, 1,933 miles away! All abo-a-r-d-----.

Engineer Bill Spohn is in the cab this trip. Margaret Hale and Edna Wright collect the money and tickets. Molly McFall, one of the directors of the railroad, is on board.

"Candy, ladies and gentlemen, candy? Fresh delicious candy for only a nickel. The money goes to make the Sophomore Hop a big success, for the SOPHOMORE HOP is the highlight of the sophomore year. Yes, madam, it is going to be one of the best dances ever given! Different colored streamers will hang from the ceiling with Japanese lanterns for lights. You ask whether there will be plenty of good punch, sir? Of course. There will also, be pretty green and gold programs to satisfy your little miss. Thank you, sir! Here is your change. Candy, fresh delicious candy."

"Magazines! Newspapers! How about buying a magazine? You want a sport magazine, young sir? This is a good one telling all about the sports in which the sophomores took part at Armijo. Football? Of course, the sophomores helped to win the games and make the football season a success. They did the same in basket ball and baseball. Yes, sir! The class of 1935 has some good athletes! I know you will like that magazine. Thank you. Magazines, newspapers, candy for sale!"

"Well, it won't be long now until the SOPHOMORE EXPRESS will be pulling into the JUNIOR STATION right on time after a speedy trip. Yes, sir, the JUNIOR STATION is right on the other side of that long tunnel. The name of the tunnel? Let me see--oh, it is called FINAL EXAMINATIONS. I have some post cards here with a picture of the station on them. Two for a nickel. Send one home to your friends. The tunnel is right ahead now. Yes, it is an easy grade; or so everyone thinks after that. Well, here we are at the end of the trip! All out!"

FRESHMEN

Although nearly every freshman class for years past has claimed the distinction of being "The greeniest of the green", we, the class of '36, do not admit this trite fact. We consider that we have done fairly well in entering into the spirit of Armijo. Right from the start, we did our best to live down the reputation that all frosh are green.

At our first class meeting, we met seventy-six strong and elected Dorothy Moller, as our president; Jack Chadbourne, vice-president; and William Chun, secretary-treasurer; representative on the Board of Control, Charles Crane.

A few days before the FRESHMAN RECEPTION some of the teachers and upper classmen attempted to teach us to dance. We were very grateful; and at the reception, our partners got off with fewer casualties than usual.

Both boys and girls went out for sports and did their part in upholding the proud traditions of Armijo. Several boys made the basket ball and track teams, while the girls in soccer and basket ball were second only to the mighty seniors. From our ranks have come several good tennis players. Quite a few freshmen athletes have won their membership into the G. A. S.

In scholarship we have not lagged behind. Three members of the freshman class received their scholarship pins at the end of the first semester, while others made the first honor roll at different times.

Now that the summer vacation is nearly here, we look forward in happy anticipation of the three months of play or work in the fruit, etc. We are also looking forward to the re-opening of school when we shall return to Armijo as jolly sophomores.

SCHOLARSHIP SOCIETY

ARMIJO STUDENT

The ARMIJO STUDENT, the high school weekly newspaper, is published for the purpose of promoting school spirit as well as for creating friendship and for uniting the entire student body and faculty. It keeps the students informed of class activities, sports, and the current news of school-life in which they are interested.

This year's ARMIJO STUDENT has been an exceptionally fine publication owing to the co-operation of the journalism class, the commercial department, and the staff; the members of which are also members of the class in journalism.

The ARMIJO STUDENT has been highly complimented by other schools as a model mimeographed high-school newspaper, which made the journalism class, the commercial department, and the staff proud of their positions and eager to continue to publish a bigger and better ARMIJO STUDENT as an example for future members of the staff to follow and to improve in the years to come.

The members of this year's staff are as follows:

Editor-in-Chief.	Elton McGee
News.	Leona Mack
Girls' Sports Editor.	Agnes Jacobson
Boys' Sports Editor.	Silver McFall
Art.	Velma Klusman
Joke Editor.	Doris Lambrecht
Feature Editor.	Mary Carvalho
Literary Editor.	Ethel Weeks
Reporters.	Jones, Goodman
Gossiper.	Bennett
Compositors.	Cripps, Kojima
Mimeographers.	Kitabayashi, Pangburn
Faculty Adviser.	Miss Mary Jean Davis

EL CLUB ESPANOL

The third and fourth year Spanish classes, with Miss Portia Harrison as adviser, composed El Club Espanol of Armijo. The officers for the term were: President, Antonia Ramos; Vice-President, Emilio Ramos; Secretary, Jeanne Weir; Armijo Student Reporter, Betty Brownlee.

The members of this club spent many enjoyable meetings which were held every other Friday.

Many interesting talks pertaining to Spanish folklore, art, literature, and current events were given by the various members, spoken entirely in this lovely musical language.

A number of novel and amusing Spanish games were introduced to the students at the meetings.

A student body play entitled MI NOVIO ESPANOL was presented by El Club Espanol in the latter part of the spring semester, which was enjoyed by everyone. The cast was as follows:

Miss Grace Hunter and her aunt, Mrs. Priscilla Brown who are American Tourists, Ethel Weeks and Jeanne Weir; El Guapo, Emilio Ramos; Preciosa, Catherine Farbina; Un Guardia Civil and Un Empleado de Estacion, John Moller; Una Mendiga, Dorothy Miller; Una Vendedora de Agua, Betty Brownlee; Una Vendedora de Pastillas de Cafe con Leche, Antonia Ramos; Una Vendedora de Tortas, Claire Dowdell; Luis, a student, Frank Frutos.

This organization is very beneficial to students of the Spanish language as it gives them an opportunity to use conversational Spanish. El Club Espanol is quite a firmly established institution in Armijo.

SCHOLARSHIP SOCIETY

The Scholarship Society is one of the organizations of the school that is open to every student. Unfortunately, only a few students seem to strive for membership in this society or actually become members. Many students are ambitious to become members at some time during their high school term, but do not carry out their ambition owing to the fact that as time goes on they lose interest. Practically the only way to become a member of the Scholarship Society is through continual work on subjects studied in school. The only way any goal may be attained is through unrelenting work. Every student should apply this axiom to his work in school; and, as a reward, become a member of the Scholarship Society.

The requirements for admittance to the Scholarship Society are a total of 10 points in semester grades, an A grade, counting three points; and a B grade, counting one point. Any student who receives a total of 10 points or more in his semester grades is a member of the society during the following semester. Each member of the society is given a scholarship pin, which he is allowed to keep during his membership in the society.

The officers of the society for this semester are: Fred Capp, President; Lily Siu, Vice-President; John Moller, Secretary-Treasurer. The members of the society for this semester are Lily Siu, Burt Goodman, Sam Scarlett, Leila Woods, Anne Gurnette, George Eichler, Margaret Woodard, Jean Mortensen, Fred Capp, Henry Pangburn, John Moller, Iris Kojima, and Dick Eaton.

LA MEZCLA

On the announcement that an annual would be published, the staff was hurriedly organized and work immediately began on the book.

The staff is to be commended on the time and effort put forth in publishing the annual. The success of this book may also be attributed to the help and advice given by the faculty adviser, Miss Mary Jean Davis.

The entire printing and art work of this book was done in the commercial department under the supervision of Mr. M. P. Sherman.

ORCHESTRA AND BAND

DRAMATICS

GIRLS' GLEE CLUB

ORCHESTRA AND BAND

Mr. W. F. Newell, director of the Armijo orchestra and band, has succeeded nobly in rebuilding the orchestra and band after the loss of many good players of last year's senior class. Each year both the band and the orchestra lose many of their best and most experienced players. One of the greatest problems that confront the leader of a school musical organization is the surmounting of this obstacle which Mr. Newell has been able to do each year.

Both orchestra and band have had a particularly successful year. The great quantity and variety of material have made it possible to accept all invitations to play before the public.

The members of the orchestra had an unusual experience when they played over radio station K. P. O. The concert given was extraordinarily good, owing greatly to Mr. Newell's diligent work and the fine co-operation of the players and partly to the lack of stage-fright--an undesirable element greatly minimized in radio performance. Good programs were given by the orchestra at the spring plays and at the senior play and also at the commencement exercises.

The band, as well as the orchestra have had a very active year. They played at all of the league basket ball games of the season and were very successful in intensifying the excitement and enthusiasm of both players and spectators. They encouraged the team with their spirited music. Music was also furnished by them at the Lion's Club Benefit Show at the Solano Theatre.

The string ensemble, organized several years ago by Mr. Newell, played in public at several occasions. Among these, at the Lion's Club, at the Farm Center, and at the Wednesday Club, and at several short entertainments.

The orchestra, the band, and the string ensemble are ready to begin a new year, confident that Mr. Newell will reorganize them; and, with the vacancies made by the graduation of the seniors, filled, continue to guide them steadily along the path of progress.

DRAMATICS

The Senior Class of 1933 organized the dramatic art class on the first day of the second semester. Desiring to display their dramatic ability, about half the senior class signed up for the course.

The SPRING PROGRAM, the first presentation of this class, was given on March 31. The program consisted of three one-act plays: THE TEA-POT ON THE ROCKS (two modern girls desiring to enter into the business world by running a tearoom), FUNNY BUSINESS (in which two college students try to write a play), and THE FIRST DRESS-SUIT (a fast moving comedy, showing the joys and sorrows connected with the owning of the first dress-suit).

The next big thing confronting the dramatic art class was the Senior Play. After reading over a great number of plays, THE THIRTEENTH CHAIR was chosen. It was the first mystery play Armijo had ever attempted to present. Try-outs were held and the following cast was selected:

Helen O'Neill.Ruthe Jones
Will Crosby.Burt Goodman
Mrs. Crosby.Mary Carvalho
Roscoe Crosby.Sam Scarlett
Edward Wales.John Pollard
Mary Eastwood.Marvel Wright
Helen Trent.Marie Buzzini
Grace Standish.Dorothy Meinert
Braddish Trent.Robert Fernald
Howard Standish.Morris Buck
Philip Mason.Lewis Shelton
Elizabeth Erskine.Leila Woods
Pallock.Dickson Hale
Rosalie La Grange.Velma Klusman
Tim Donahue.Chris Santaella
Sergeant Dunn.James Messenger
Doolan.John Daly

Both the SPRING PLAYS and the SENIOR PLAY were well received and proved very successful. The director, Miss Emily L. Reese, and the members of the casts appreciate the interest of the community shown in their work by the large crowds attending the plays.

GIRLS' GLEE CLUB

The three years are drawing to a close, in which the Girls' Glee Club made a fresh start, as it were, with the opening of the new auditorium. Under the supervision of its music-loving leader, Miss Emily L. Reese, it has succeeded in establishing for itself the reputation of being able to deliver a pleasing program upon request.

This year the girls have sung in various programs, including those presented at the WEDNESDAY CLUB, the CHRISTMAS ENTERTAINMENT, WASHINGTON'S BIRTHDAY, the SPRING PROGRAM, the SCOUT SKITS, and at COMMENCEMENT.

A number of the pieces were acted out artistically in action skits, or in a display of stage scenery, in which Mrs. Gladys Champlain and her classes aided in the costuming.

The CHRISTMAS PROGRAM consisted of two tableaux. The first was an impressive scene of Mary in long flowing robes, with the babe in her arms. The stage lights were dim and the atmosphere was mystic and reverent. The Glee Club girls stood at each side of the Madonna and sang sacred songs.

The second of these tableaux was the scene of the CHRISTMAS TREE. The girls in costume represented the different nations, and songs of each country being sung. The program was unique and succeeded in portraying most successfully the spirit of Christmas.

The WASHINGTON DAY program was patriotic and introduced the negro quarters of a southern plantation. The Glee Club girls sang negro spirituals.

A girls' chorus has been formed from the members of the Glee Club. It is composed of twelve girls, including Olivia Freitas, Anita Nunez, Irma Mattheis, Marguerite Sciacqua, Agnes Jacobson, Gladys Meyer, Yoneko Kato, Margaret Woodard, Marie Pappas, Edith Buck, and Sarah Lebedoff.

Katherine Farbina was accompanist. The girls have been assisted by Jeanne Weir, celloist, and Sam Scarlett, violinist.

Since the year is drawing to a close, the Glee Club is looking forward to next year with enthusiasm and interest.

STUDENT BODY

And so ends another glorious year in the long history of Armijo! The school term, August 29, 1932 to June 9, 1933, has been one of accomplishment in scholarship, athletics, and social activities.

The student body sponsored two dances--the FRESHMAN RECEPTION, given on October 7, 1932, and the CHRISTMAS DANCE, given December 23, 1932. Both dances were very successful. Feeling sorry for the tender feelings of the very young freshmen, the older students refrained from putting them through initiation stunts at the reception. The CHRISTMAS DANCE was preceded in the afternoon by the exchanging of novelty gifts among the students. Morris Buck, forgetting his senior dignity, appeared in the person of the jovial Santa Claus.

The student body also sponsored the FOOTBALL BANQUET in honor of the victorious football team, the S. C. A. L. champions. Ted Beckett, famous University of California football player, was the speaker of the evening. The players enjoyed the speaker and the--banquet, finishing the evening by later attending the CHRISTMAS DANCE.

The following officers were elected by the student body to preside over the social and financial affairs:

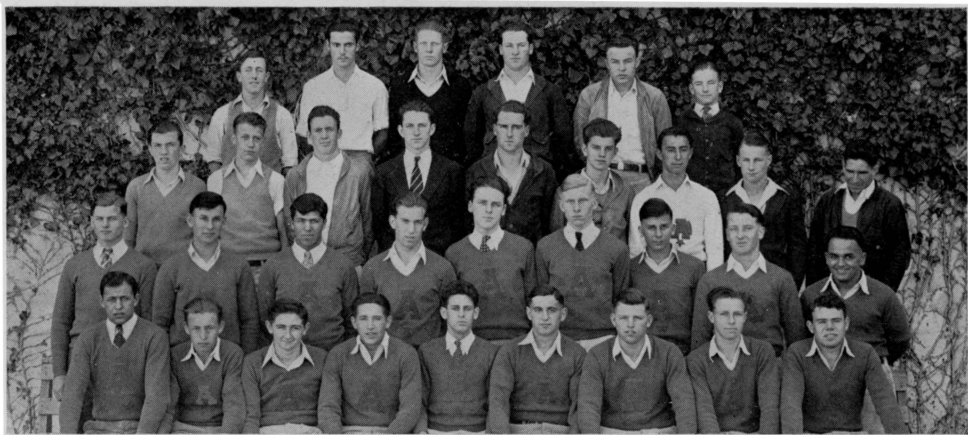

FALL SEMESTER

SPRING SEMESTER

Carl Gein.....	PRESIDENT.....	Burt Goodman
Dick Hale.....	VICE-PRES.....	Chris Santaella
Lorraine Baldwin.....	SEC.-TREAS.....	Inez Bennett

The following board of control members, in addition to the student body officers, who helped make successful all school affairs, including the dances and the banquet were: Molly McFall, Betty Brownlee, John Moller, Silver McFall, Charles Crane.

With the ready advice and help of the principal and faculty, this year has been one of the best--if not the best (in spite of the depression's almost cheating the students out of a LA MEZCLA) that Armijo has ever known.

BLOCK A SOCIETY

SCIENCE CLUB

GIRLS' ATHLETIC SOCIETY

BLOCK A SOCIETY

The Block A Society, which was organized for the purpose of increasing the interest in sports by Coach Bailey, has been steadily growing--both in size and activities. The end of every season finds the society greater in number than that of the preceding year; new eligible members having made their letters on one of Armijo's teams competing in the S. C. A. L. (Solano County Athletic League) competition.

The society elected for its officers for the first semester the following: Al Codiga, President; Frank Frutos, Vice-President; Dick Hale, Secretary-Treasurer. For the second semester, the following officers were elected: Chris Santaella, President; Ed Hopkins, Vice-President; Dick Hale, Secretary-Treasurer.

The society had the student body reserve the first three rows of seats in the center section of the auditorium at all student body meetings for Block A members. This year, it, also, made arrangement, for the first time in its history, for the purchase of sweaters for the members. The sweaters were purple to match the Block A letters, with gold stripes on the sleeves. A member was entitled to one stripe for every year in which he has made his letter.

There is a committee now at work drawing up a new constitution to govern the Block A Society in future years. There will be changes in the eligibility of future members. At present, the requirements to make a letter in various sports are as follows:

To make a letter in football, one must play a winning game, or four different quarters in winning games in the S. C. A. L.

The requirements for basket ball are the same as those in football.

In track, a man must have made a point or taken fourth place in the S. C. A. L. meet.

In baseball, a man must play a winning game or nine innings in winning games.

In tennis, one must win one match or two of three sets in a game played between schools in the league.

SCIENCE CLUB

The Armijo Science Club has proved very successful during the past year under the inspiring leadership of Mr. O. C. Spohn. At the first meeting officers were elected who took an interest in their work and helped a great deal in making the club a success. The officers elected were: President, Raymond Pyle; Vice-President, Burt Goodman; Secretary, Elsa Widenmann.

The purpose of the club is to create interest in the classes of which the club is composed--namely, physics and chemistry. Meetings were held in Mr. Spohn's room every second Friday during the third period. Topics discussed at the meetings included aviation, electricity, fish, astronomy, physics in general, and chemistry in general. A program committee appointed by the president arranged the topics for the meetings.

During the second semester it was very hard to find time for meetings due to a change in the class schedule which eliminated the third period. The only time available for meetings was either after school hours or in the evenings.

The annual SCIENCE CLUB PICNIC formed a fitting climax to a very successful term. The picnic was held in May at Putah Creek. Swimming and eating were the most popular diversions, and everyone present reported great fun and a good time.

GIRLS' ATHLETIC SOCIETY

The Girls' Athletic Society have had a very active year. Officers for the year were: Inez Bennett, President; Lorraine Baldwin, Vice-President; Edith Kidder, Secretary-Treasurer; Alyce Fawcett, Recorder.

On December 8, a well-planned and very successful initiation was given in the girls' gymnasium in the form of a Kid Party, with lolli-pops, kid games, and all the trimmings. There were fourteen initiates put through the hair-raising experience called the initiation ceremony. The mothers of the girls were invited; they enjoyed the party equally as well as the "little children" themselves.

A spring initiation was held at Newman's in the form of a swimming party, with a picnic dinner afterwards. The girls who did not have enough points to join at the fall initiation had a chance to join at this spring initiation.

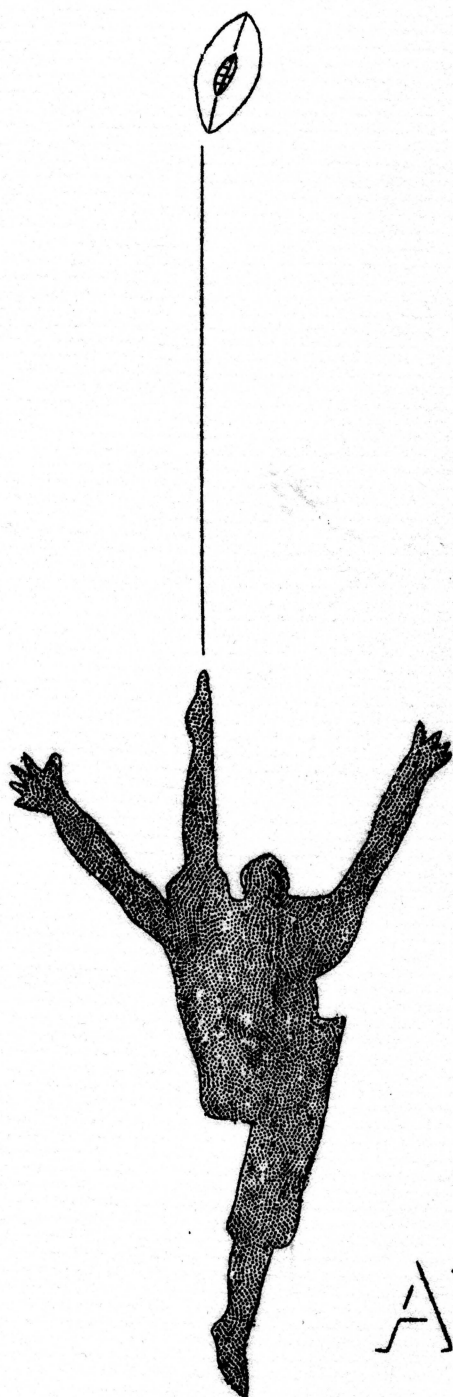

Different girls were chosen as heads of the various sports for the year. Jewel Pangburn conducted a very successful soccer season, in which the seniors were the winners; the freshmen coming second.

Elsa Widenmann was the basket ball manager. The seniors again triumphed over the other classes; the freshmen coming in second.

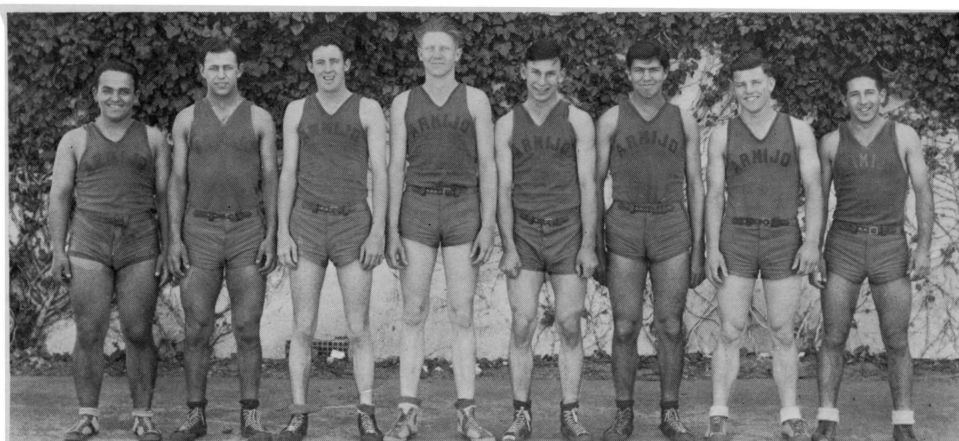

Two tennis tournaments were conducted--one in the fall and one in the spring. The girls entered both, enthusiastically.

A most successful baseball season and a track meet closed the season of sports for the girls.

Where the golden rays of sunset
Cast their beams from out the west,
And the purple-tinted mountains
Were a haven for their rest,
There we found our noble colors,
Nature's handiwork of old.
Here's to the wealth of our devotion
To the purple and the gold!

CLASS C BASKETBALL

CLASS A BASKET BALL

The Armijo High School opened its 1932-33 basket ball season in a blaze of glory when the Class A team succeeded in defeating the Calistoga Varsity, 23 to 14.

The entire basket ball season was successful, although the team lost the S. C. A. L. Championship by one game when Vacaville defeated the A team on the Armijo court by one point.

The next Vacaville game was a different story, and it took little trouble and much fight for the Armijo Varsity to down the Bulldogs by a four-point margin.

The only other game lost by Armijo during the league season was to Rio Vista when the Rio team succeeded in winning by a score of 29 to 26.

The A team was a hard fighting team and came out much better than was expected. The season opened with a broken team, following the graduation of Armijo's greatest cage players--namely, George and Ernie Lambrecht and Al Codiga.

The teams, however, fought hard under the earnest leadership of Chris Santaella, and came out holding second place in the southern S. C. A. L. The Armijo Varsity was the only S. C. A. L. team to defeat Vacaville in league competition this year.

Letter winners for the Class A basket ball were: Santaella, Gein, F. Frutos, J. Frutos, Athey, P. Colla, Fernald, Fune, and Codiga.

CLASS B BASKET BALL

The Armijo Class B team has had a very successful season. The team won seventeen consecutive games, losing only the final one. The B team won the S. C. A. L. Championship, the Sacramento County League, and the Sierra Foothill Championship; losing the C. C. H. S. A. L. by the scant margin of five points.

The season had been exceptionally long for high school competition; hence the team was not in the best of condition the night it met Orestimba. In fact, the Orestimba game followed the toughest game of the year--that with Placer, and it was just too much for the fellows.

The team, however, played well, and Armijo is justly proud of all the members.

The greatest game of the season came when the Class B team defeated the Placer B team, 37 to 35. The score was 37 to 35 with two minutes to go; the Armijo team, in those scant two minutes, succeeded in scoring ten points.

The key to the success of the teams was, without a doubt, the co-operation and spirit among the fellows and the school spirit behind them. It was the old Armijo fighting spirit that won her seven pennants in major sport events this year.

Letter winners in B class basket ball were: Hopkins, Colla, Pretel, Stathikis, Reams, Figuero, Eaton, Wing, and McFall.

CLASS C BASKET BALL

The Class C team this year was composed of three veterans of last year's championship squad and some ten other freshmen. Coach Bailey is to be complimented on the remarkable little team he made from this material.

The squad was chosen by inter-class competition early in December; and by December 16, the team was ready for its first league game. On that evening the C's succeeded in beating the St. Helena Lightweights by the overwhelming score of 36 to 13.

The C team met only two defeats during the entire season. Armijo is proud of this record made by the fighting lightweights. Eight games were won of the ten played.

During the last weeks of the season, illness and absence took a heavy toll from the team; so it was somewhat of a surprise when the fighting papooses came through to take Clarksburg by the score of 32 to 27.

The Placer game was hard-fought throughout by both teams. The Armijo C's held the Placer team to a score of 7 to 4 in the first half, but the size and experience of the Placer team finally won out. The final score was Armijo, 10; Placer, 24.

The letter winners on this fighting little team were: Juan, R. Fune, M. Fune, Chadbourne, Oliver, Reams, and Hopkins.

FOOTBALL

The Armijo football squad reported for practice on August 30 for the 1932 season. One of the largest squads ever turned out at Armijo was reported for practice, with 45 fellows. Among the fellows could be seen many old timers, and the prospects of the coming season were exceptionally bright.

The first game of the season proved Armijo's worth when the Indians succeeded in defeating a strong Vallejo team, 6 to 0.

The first league game of the season was somewhat of a scare when a fighting Rio Vista team succeeded in holding the Indian eleven to a 0 to 0 tie.

One of the toughest games of the season came when Armijo traveled to St. Helena and succeeded in defeating the Saints by a score of 6 to 2. Most of the players agree that THAT game was the toughest of the season.

The climax of the season came when Armijo met Dixon on the Armijo gridiron. The score was tied, 0 to 0, with less than two minutes to go when the stalwart Indian braves succeeded in shoving the ball over the goal and converting, to win the game by a score of 7 to 0.

Carl Gein was the valiant leader of these stalwart Indians. Signals were called by Edward Hopkins.

The men winning letters were Gein, Hopkins, Colla, Young, Simmers, W. Freitas, Cusick, J. Frutos, F. Frutos, Santaella, Codiga, Athey, Wilson, B. Freitas, Buck, Goodman, and Sheldon.

TRACK

The Armijo High School again came through in a blaze of glory when the Class B track team won the S. C. A. L. pennant.

This is the twelfth consecutive year that Armijo has won a track pennant in either the A or B class. The B team this year won the meet at Davis by a score of 54 $\frac{7}{10}$ points to Davis' score of 30 $\frac{7}{10}$ points, the nearest competitor in the meet.

The A team came out very well considering the material in hand. They were beaten in the meet only by Davis. The A meet was very close, the relay deciding the winner.

The B team went to Roseville on April 29 to the annual Roseville Invitational Meet and surprised everyone by winning the meet with a score of 29 points. The relay set a track record for the 880 yard relay of 1 minute 38.9 seconds. Hopkins broke the record of the track for the 160 yard low hurdles; Reams, the 120 low hurdles. Figuerdo and Egusa both placed in the pole vault.

The Class B team again came out well when it succeeded in winning 31 points at the C. C. H. S. A. L. meet held in Sacramento on May 6. It won second place in the meet, Sacramento High taking first with 49 $\frac{1}{4}$ points. This was exceedingly well for the Armijo fellows because there were only seven of them, while Sacramento and many other schools had over fifteen entrants.

The Class B team tied for fourth place at the N. S. C. I. F. meet on Saturday, May 13 at Modesto. Thirty-three schools competed in the meet.

BASEBALL

The 1933 baseball season has, thus far, been one of many victories and few defeats. The squad reported for practice early in April; nearly twenty-five strong. This was the largest squad of baseball men to report for practice at Armijo.

Many of the members of last year's championship team had been graduated; therefore, the hopes for the season were exceptionally gloomy. However, after a week's practice and the game with Vallejo (which the Indians lost by one run), the team began to whip into shape.

By the beginning of the league season, the team was looking almost as well as last year's championship nine.

The season opened by Armijo's beating Vacaville at Vacaville by a score of 7 to 3. The following week found St. Helena taking a defeat at the hands of the Indian Warriors.

All went well until the second St. Helena game, which the team lost by a score of 3 to 6. But the fellows fought hard, not losing easily, but losing in a fine spirit.

On Friday, May 19, the baseball team went to Benicia to win or die. The game was hard fought, and the fellows succeeded in defeating the Benicia team 3 to 1.

This game won the Southern S. C. A. L.; and as this book goes to print, a game for the entire S. C. A. L. has been scheduled between Armijo and Esparto on the Armijo diamond.

The Armijo team is hoping to overcome the Esparto fellows and thus win another pennant for Armijo.

GIRLS' BASKET BALL

There was a fine turnout among the girls of all the classes for basket ball. Although they did not play outside schools, there were thrilling, hard-fought games between the classes. Elsa Widenmann was the manager. Miss Millsap coached the teams during practices held every Tuesday and Thursday, beginning in December. The games began toward the last of February. The seniors were the proud victors, although the freshmen gave the school a surprise by coming in a close second. The juniors and sophomores tied for third place.

The first game was played by the juniors and seniors. The seniors won, 39 to 9. They also won the return game, which was played later in the season (as were all return games). In the next game the freshmen beat the sophomores 60 to 26. They also won the return game, 31 to 15. Then the freshmen won over the juniors with a score of 35 to 36. They were again victorious in the return game. The seniors won both games from the sophomores; the first game scoring 67 to 6; the return game, 76 to 11. The sophomores won the first game from the juniors by 7 points. In the return game, however, the juniors were victorious over the sophomores by a score of 35 to 12.

The squad line-up for the classes was as follows:

Seniors: Forwards: Baldwin (c) and Pangburn; Guards: Fawcett, Klusman, Kojima, and Mack; Jumping Center: Helen Patterson; Side Center: Inez Bennett.

Juniors: Forwards: Weir, Kidder, Cripps, and Farbina; Guards: Jacobson (c), Dowdell, Brownlee, Alonzo; Jumping Centers: E. Buck and E. Widenmann; Side Centers: Gerevas and M. McElrath.

Sophomores: Forwards: Groulx, Lebedoff, and Munoz; Guards: Clennell, McFall, Hale, R. Wright, Siu, and Nunez; Jumping Centers: Okell and Canova; Side Centers: M. Sciacqua (c) and Otsuji.

Freshmen: Forwards: Moller, B. Buck, and Gurnette; Guards: Lambrecht (c), Sannazzari, D. McElrath, Kato, Andrea-son; Jumping Centers: R. Davisson and Sweeney; Side Centers: J. Mortensen and Osada.

TENNIS

The Armijo 1933 tennis team, under Coach Barkley, has proved not to be so strong as that of the previous year. It has been unfortunate, however, in having only one court, but it has hopes of capturing at least one pennant this year.

The boys' squad consists of: Lewis Morrill, Bud Freitas, Frank Frutos, Bill and Albert Spohn. Members of the girls' squad are: Alyce Fawcett, Marvelle Gerevas, Katherine Farbina, Anne Gurnette, Agnes Jacobson, Elsa Widenmann, Jewel Pangburn, and Olga Mortensen.

The varsity squad, chosen by Mr. Barkley, consists of: Alyce Fawcett, Marvelle Gerevas, Katherine Farbina, Anne Gurnette, Bud Freitas, Lewis Morrill, Frank Frutos, and Bill Spohn.

The first league matches were played against Vacaville, Alyce Fawcett winning the girls' singles with Bud Freitas losing the boys' singles, Katherine Farbina and Marvelle Gerevas defeated the Vacaville girls' doubles, 4-6, 6-3, 6-0. Anne Gurnette and Bud Freitas lost the mixed doubles, 3-6, 4-6; and Lewis Morrill and Frank Frutos were defeated by Vacaville in boys' doubles, 0-6, 3-6.

In the second league match against St. Helena, Armijo won a majority of the honors. Alyce Fawcett was victorious in the girls' singles, 6-2, 6-1. Lewis Morrill won the boys' singles, 6-3, 7-5. Katherine Farbina and Marvelle Gerevas defeated the girls' doubles, 6-1, 6-0. Anne Gurnette and Lewis Morrill lost the mixed doubles, 0-6, 1-6. Bill Spohn and Lewis Morrill were defeated in boys' doubles, 0-6, 3-6.

The members of the tennis team have a bright future in store for them, and each year they will try to add another pennant to Armijo's large collection.

SOCCKER

Although this was the first year in which inter-class games of soccer were played, the games were intensely exciting and well-played.

The teams were coached by Miss Arleen Millsap with the assistance of Jewel Pangburn, manager.

The seniors were champions; closely followed by the sophomores; the freshmen and juniors came in third and fourth.

The class squads were: SENIORS: Forwards: Bennett, Carvalho, Lewis, O. Mortensen, Pangburn; half-backs: Kojima, J. Pappas, H. Patterson, Klusman; full-backs: Mack, Fawcett (c); goaler: Baldwin.

JUNIORS: Forwards: Alonzo, Dowdell, Farbina (c), Mangels, Storey, Weir, Woodard; half-backs: Brownlee, Kidder, Maltagliati, M. McElrath; full-backs: Gerevas, Snow; goalers: Jacobson, E. Buck.

SOPHOMORES: Forwards: Carlton, O. Freitas, Groulx, Nunez, Otsuji, Sciacqua; half-backs: Canova, Teeple, Siu; full-backs: Clennell, Okell; goaler: Lebedoff (c).

FRESHMEN: Forwards: Dotemoto, Lambrecht, J. Mortensen, Sannazzari, Winters; half-backs: D. McElrath, Gurnette (c), Sweeney; full-backs: Goncalves, Osada; goaler: Moller.

An all-star team was chosen by Miss Millsap and the manager, Jewel Pangburn, which was composed of the following:

RIGHT WING FORWARD: Elaine Lewis, Olivia Freitas
RIGHT INSIDE FORWARD: Ione Mangels, Inez Bennett
CENTER FORWARD: Jewel Pangburn, Anita Nunez
LEFT INSIDE FORWARD: Margherite Sciacqua, Olga Mortensen
LEFT WING FORWARD: Mary Canova
RIGHT HALF-BACK: Eleanor Lambrecht, Sarah Lebedoff
CENTER HALF-BACK: Anne Gurnette
LEFT HALF-BACK: Jeanne Weir
RIGHT FULL-BACK: Alyce Fawcett
LEFT FULL-BACK: Agnes Jacobson
GOALER: E. Buck, Baldwin, Moller

JOKES

Miss Millsap: Molly, come right up here and give me what's
in your mouth.

Molly: O. K. teacher. It's the toothache.

Mr. Sherman: Are you the man who went around this golf course
in '76?

Mr. Barkley: Certainly not. I was born in '87.

Dick Hale: Look here! How long do I have to wait for the
half-portion of duck I ordered.

Waiter: Till somebody orders the other half. We can't go
out and kill half a duck.

CAN YOU IMAGINE

Jewel Pangburn flirting? John Daly having a harem?
Iris Kojima without ambition? Alyce Fawcett being noisy?
Dick Eaton being a crooner? Emilio Ramos the second Gable?

Takashi Mitoma: How are they biting today, Mr. Spohn?

Mr. Spohn: On the neck and legs mostly.

Henry Dreith: This liniment makes my arm smart.

Bud Freitas: Why not rub some on your head.

Dentist: Did you say this tooth had never been drilled
before? I find flakes of gold on my drill.

Mr. Newell: I think you've hit my collar button.

PET AMBITIONS

Miss Harrison--To go to Spain.

Mr. Bailey--To be study hall teacher.

Miss Davis--To try to make something of seniors.

Elaine: My husband is very careless; he's always losing
the buttons off his clothes.

Leona: Perhaps it is because they are not sewn on carefully.

Elaine: That's just it. He's so frightfully slipshod with
his sewing.

Leila Woods: So you met my brother at college, did you?

Helen Patterson: Yes, he slept in the same classes with my sister all this year.

Marvel W: Your dog seems very fond of watching you cut hair.

Dorothy M: It ain't that; sometimes I snip off a bit of a customer's ear.

Rose: Why does the whistle blow for a fire?

Doris: It doesn't blow for the fire; it blows for water.
They've got the fire.

After terrific struggle, the freshman finally finished his examination paper, and then at the end wrote: Dear Miss Davis: If you sell any of my answers to the funny papers, I expect you to split 50-50 with me.

Mother: Velma, why didn't you come right home from the store?

Velma: I dropped a dime and a truck parked on it.

Marjorie (to boy friend): Oh, I think you're lots better looking than your daddy.

Stinky (true child of the motor era): Well, I oughta be--
I'm a later model.

Carl: You look sweet enough to eat.

Ione: I do eat. When do we go?

The bargain suit I bought,
Is not to me a gain--
For I have found, alas,
It likes to shrink in rain.
